

April 30, 2001

Dear District 4 Local President:

On the left side of this letter, I'm sharing the names of the persons in our District who are current contributors to the AFGE Political Action Committee. If your name is on the list, let me personally thank you for taking a leadership role in supporting our important efforts to protect federal employees' interests.

If your name is not listed, I'd like to invite you, as a leader in our Union to become an AFGE PAC member. Participation is easy - simple to do - and can be for as little as one dollar per pay-period for AFGE's "Give a Buck" program.

Why should you care? AFGE PAC is your political action fund and is part of the political voice of our Union's members. PAC contributions have a direct bearing in electing the best candidates to look out for our interests. The objective of AFGE PAC is to improve our lives through direct political action.

Remember, neither the Congress nor the President approve federal employee pay raises or provide health care benefits out of the goodness of their hearts. Our friends in Congress help us because we help them get elected. You should also know that our AFGE PAC is *non-partisan*, all that counts is the legislator's stand on our issues, not the political party to which they belong.

How does our AFGE PAC work? The power of AFGE PAC comes from your voluntary donations. AFGE PAC gives you clout.

As a contributing member, Congress and the President listen to your concerns. When we speak with one voice, through AFGE PAC, we are strong and we are heard!

How can you participate? It's easy; just fill out the form for the method of contribution that is right for you. There are four levels from which you may choose. They are:

- Diamond level, \$12.00/pay period, \$26/month, or \$312/year
- Gold level, \$8.00/pay period, \$17/month, or \$208/year
- Silver level, \$4.00/pay period, \$9/month, or \$104/year
- Bronze level, \$1.00/pay period, \$2/month, or \$26/year

Once you've completed the forms, send them to AFGE PAC, 80 F. Street, NW, Washington, DC, 20001.

As a leader in our Union, I'm sure you want to demonstrate your commitment to the interests of those Local members who elected you. Join our District staff and the many other leaders in our District who participate in this important program.

Finally, I urge you to place this on the agenda for your next Local Executive Board meeting and by setting the example, encouraging your other elected officers to also join.

I look forward to hearing about your decision and that of your Executive Board to become AFGE PAC participants and adding your names to the "Honor Roll" of our District leaders involved in this important program.

Sincerely and in Solidarity,

Joseph P. Flynn
